

Marnhull Ramblers & Shorts

We are looking for someone to lead the December walk please.

In December we usually combine the two groups to have just one walk pre Christmas. It is run in the second (or early third) week and is either a hybrid 2½ / 5 mile walk or simply a 2 to 3 mile walk.

The Crown in Marnhull has often been used as the base - avoiding the need to drive !

So please consider leading this pre Christmas walk and natter session and let me know - thank you

Colin
