

## Dear Friends

As you will be aware, I sent a note around earlier to ask for someone to take over the organisation of the Marnhull Ramblers **from 2019**. I will be handing over the role at that point.

Firstly to the many people writing in appreciation of my tenure over the last 5 years - Thank You very much !

Now I am pleased to announce that the future leadership has been resolved with a very satisfactory solution.

**Elaine Spencer-White** will take over the overall leadership, assisted by her deputy team of **Anne & John Dowsett**. This will allow for both Elaine and Anne & John to be away from time to time.

The role is to co-ordinate and manage the Marnhull Ramblers, and to liaise with the Marnhull Shorts to provide integrated publicity for both.

So thank you and good luck to Elaine, Anne, and John who I am sure will enjoy your enthusiastic support as I have over the years.

best wishes

Colin
