

Dear Friends,

The programme of rambles & walks is complete up to the end of the year and details will be sent out as normal. Thanks go to the leaders in the Ramblers rota for the year's worth of Rambles. This followed from Sioban's successful Shorts Rota . I will be leading the October ramble.

I now want **to pass on the organisation and publicity of the programme of Rambles and also the publicity of the Shorts to someone else** - and leave it to you fellow walkers to make arrangements with effect from the 2019 Rambles & Shorts.

It has been a great pleasure to organise the walks over the last 5 years, and I hope to continue to join the rambles when I can - but increasingly I am abroad so making this tricky !

With all best wishes

Colin
